

IMAGINE YOUR STORY

Kings, Queens, & Princesses King and Queen Drop the Beans

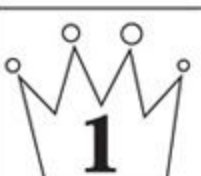

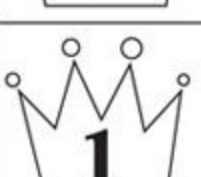

Instructions

1. Get ten dried beans and color or paint one side of each bean. Set aside until beans have dried.
2. Print off as many charts (see below) as there are players.
3. Take turns shaking and dropping the beans. Count how many beans land with color side up and color in the crown with that number on your chart.
4. Whichever player fills up their chart first wins!
