- Materials:**
- Food Coloring
 - Large Pot
 - Soup Bowls
 - Water
 - Wooden spoons and Ladles
 - Scissors
 - Glitter
 - Shaker Bottles
- Extra Ingredients:**
- Polished Stones
 - Flowers from the garden

Instructions:

1. Fill the large pot with water and some food coloring to it.
2. Set out all the rest of the materials.
3. Call the children over. The children can add whatever they want to the soup. If you do this outside, they can collect flowers, rocks, shells, etc.
4. Now they can transfer, pour, and scoop the soup from the pot to the bowls, cut the flowers, and add glitter. They can virtually do whatever they want to do.
5. When they are finished, remove all the rocks and flowers and
