

IMAGINE YOUR STORY

Fairies Fairy Wands

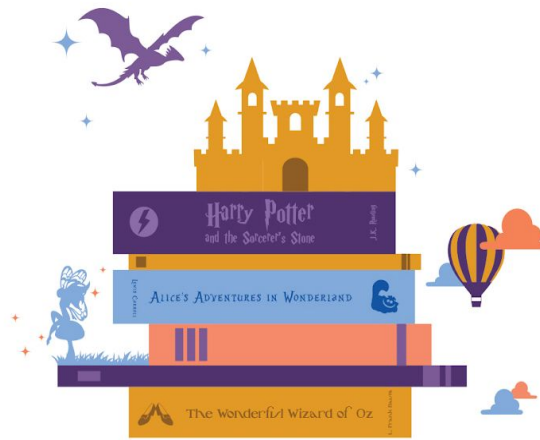

June 24th is National Fairy Day!

Materials: Twigs
Pony Beads
Yarn
Markers
Scissors

Instructions:

1. Go outside and find a twig.
2. Break off any little bits and bobs on the twig and color it.
3. Thread the pony beads on to the twig. Leave about $\frac{1}{4}$ of the twig without beads so you can make a handle.
4. Take one bead. Attach some yarn to the bead and tie it into a knot.
5. Then bead it on the twig.
6. Next wrap the yarn around the twig and make a handle.
7. When the twig was all wrapped, we wrapped the yarn a few more times around it, tied it, and trimmed it.
