Mermaids Mermaid Glitter Slime

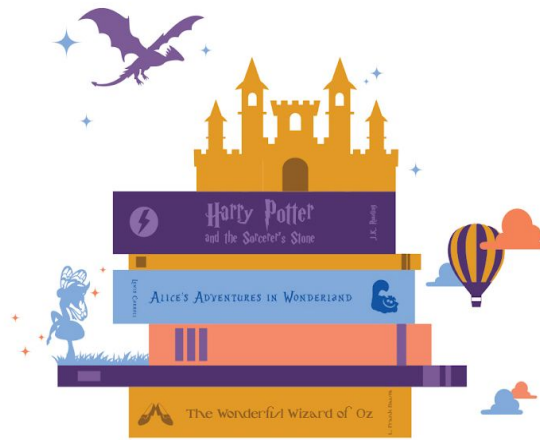

Supplies

1. Bottle of Elmer's Classic Glitter Glue
2. $\frac{1}{2}$ Teaspoon of Borax
3. 1 $\frac{1}{2}$ cups of water (1 cup room temp and $\frac{1}{2}$ cup hot water)
4. Mixing bowls
5. Mixing spoon

Instructions

1. Prepare the slime activator. $\frac{1}{2}$ teaspoon of Borax mixed with $\frac{1}{2}$ teaspoon of hot water. Mix together until its completely dissolved. Set this solution aside.
2. Pour the entire bottle of glitter glue into a mixing bowl. Add to it one cup of room temp. Water and mix together. Keep mixing until you have a smooth consistency.
3. Very slowly add the borax and water to the glue base. Mix them well together. Keep adding a small amount at a time until you reach the consistency you like. That's it now you have your very own glitter slime!
