

IMAGINE YOUR STORY

Fairies Paper Bag Tiara

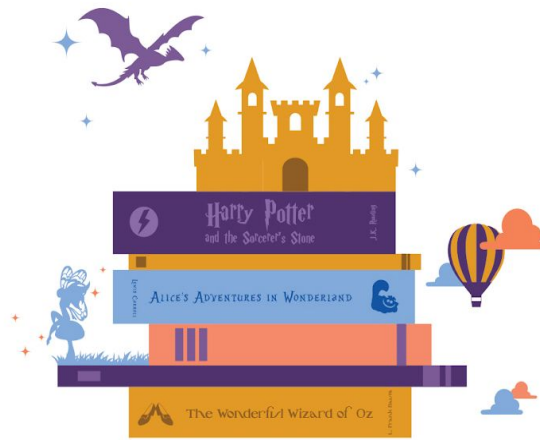

June 24th is National Fairy Day!

Materials: Paper grocery bag
Artificial Flowers
Low Heat Glue Gun
Raffia or twine
Scissors

Instructions:

1. Cut off the bottom of the paper bag.
2. Roll the edges of the paper bag outward. (This means that any branding that's on the outside of the paper bag will not show.)
3. Continue to gently roll the paper bag, taking care not to rip it.
4. When you get to the end of the bag, use your glue gun to tack down any loose edges.
5. Now put flowers all around the edges of the tiara.
6. Use the raffia or twine and wind it around the flowers.
