

IMAGINE YOUR STORY

Alice in Wonderland Paper Teacup Craft

Instructions

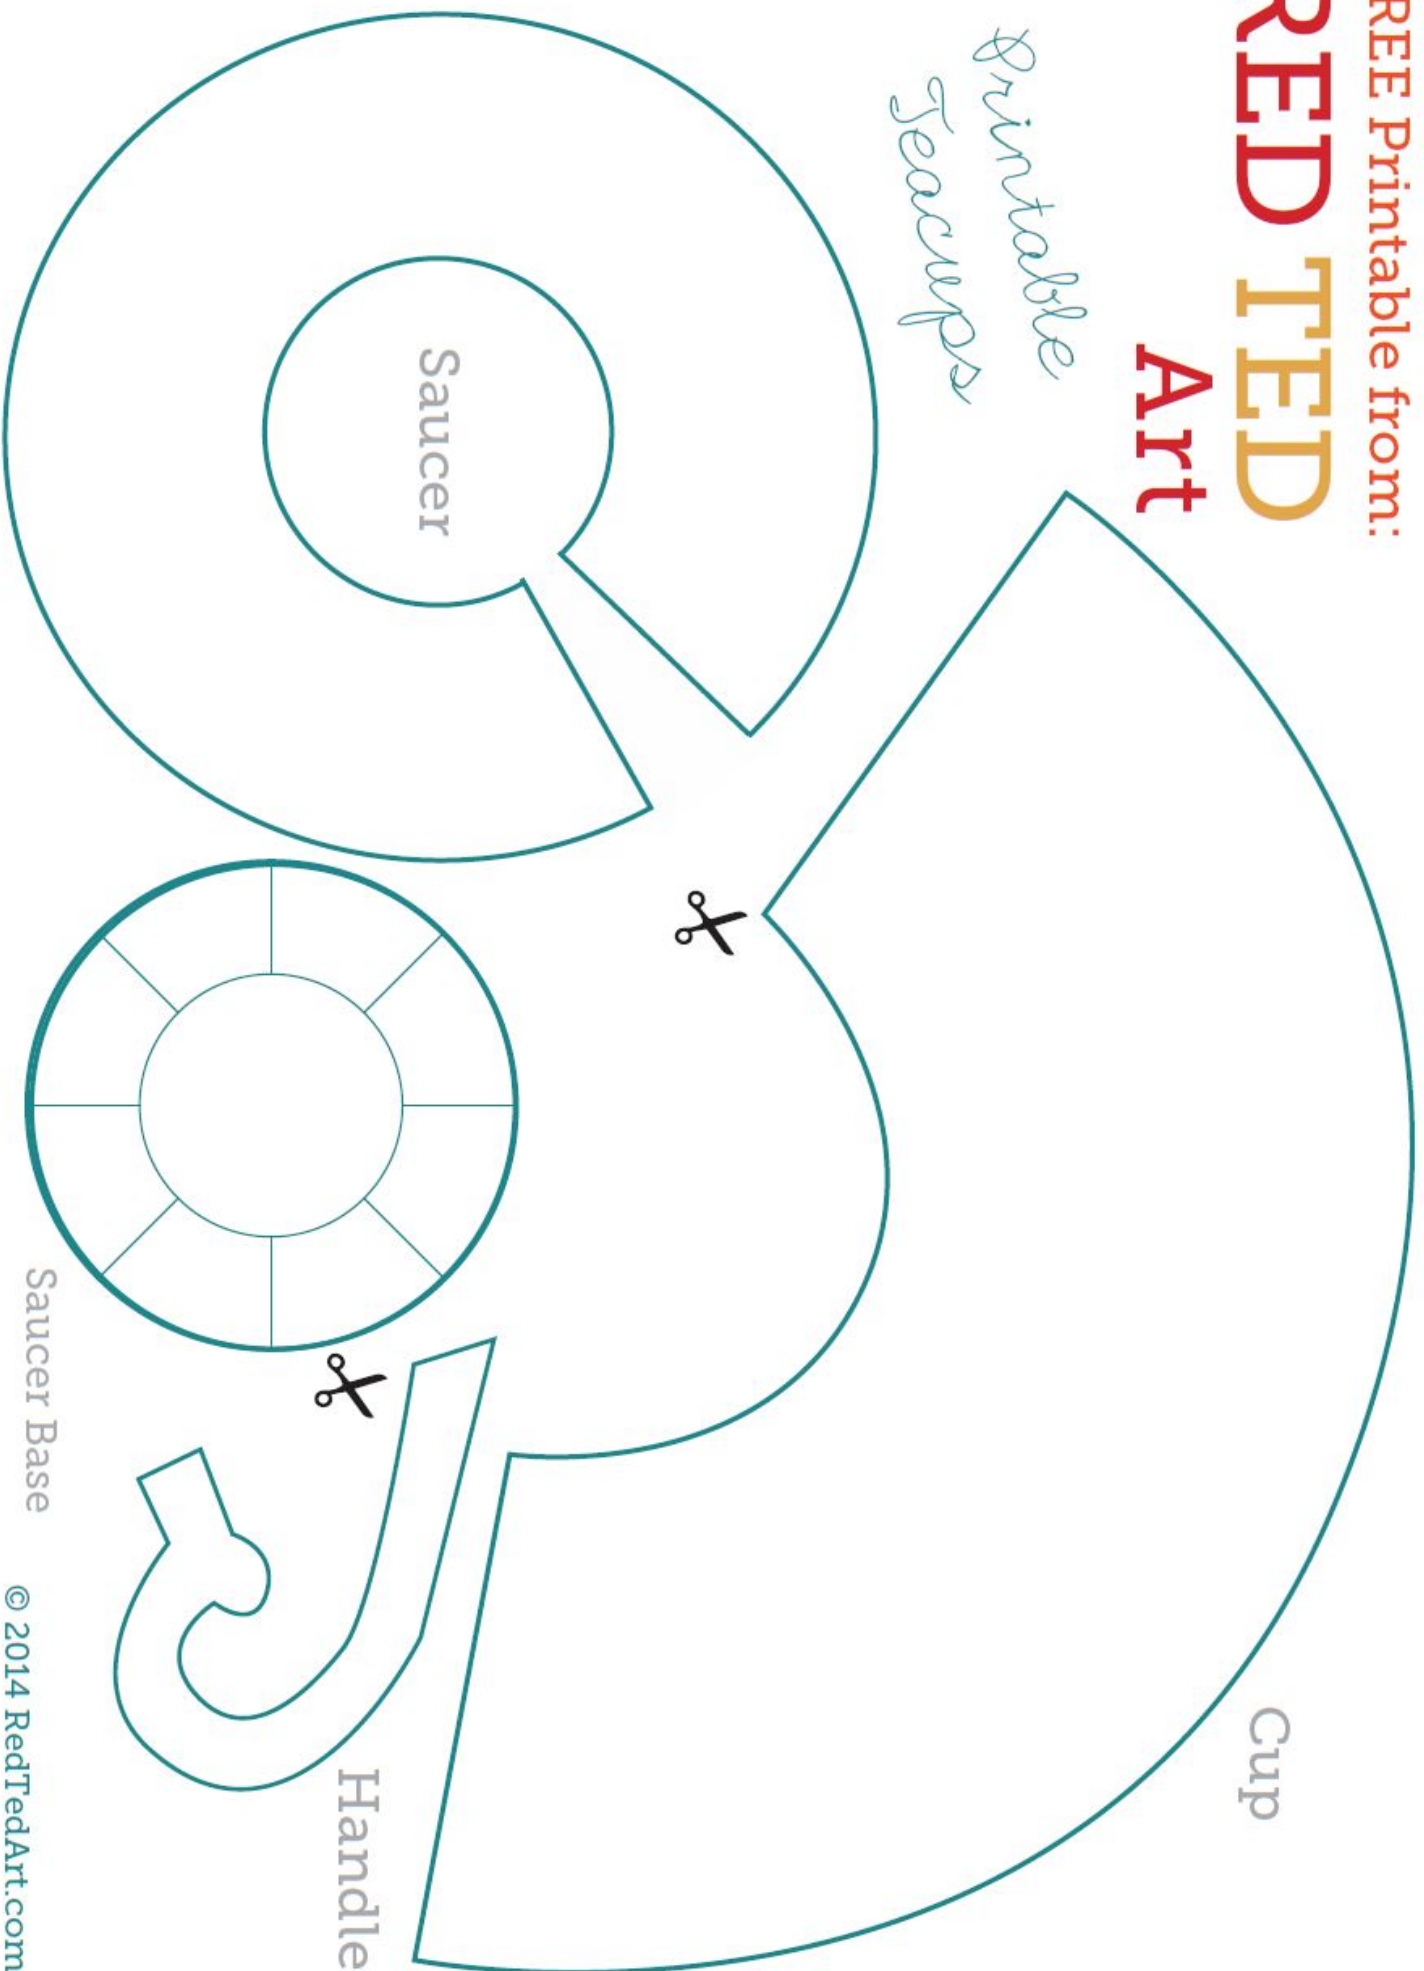

1. Gather scissors, tape or glue, construction paper or cardstock, and crayons/markers/stickers
2. Print the teacup template on cardstock or print on regular paper, cut out and use as template to trace on cardstock or construction paper.
3. Decorate the uncut teacup template pieces with markers, crayons, stickers, glitter, etc.
4. Carefully cut out the teacup pieces. For the saucer base, cut around the whole outer circle and the cut the lines just to the smaller inner circle.
5. To make the cup, use hot glue, regular glue, or tape to overlap the two straight edges making a cup shape. If using regular glue, it might help to use a clothespin to secure until dry.
6. To make the saucer glue the straight edges of the saucer so that they overlap slightly and make a little dome. The glue the saucer base in the center, covering the hole.
7. Next glue the cup to the the middle of the saucer.
8. Lastly, fold the top and bottom edges of the handle so they can lay flat on the cup and glue to the side. Let you creation dry if you used glue.
