

## IMAGINE YOUR STORY

### Pirates Pirate Treasure Hunt

Materials:            Printable/Checklist  
                             Pen/Pencil/Stickers

#### Instructions:

Find a place to have the outside part your hunt. Your backyard or a park with distancing rules are good starting points. If you don't have either of those available, do a drive by hunt and explain that your car is your pirate ship! Once you've found all the things outside, return to your home and work on things you can do inside.

Feel free to remove or add things to look for on your hunt to fit your needs and neighborhood. If you don't have a printer, grab some paper and copy our list - or make something completely new!
