### Wizards & Witches Popsicle Stick Wizard Hat

#### Supplies Needed:

Popsicle sticks (3 per craft)

School glue

Scissors

Colored cardstock or construction paper

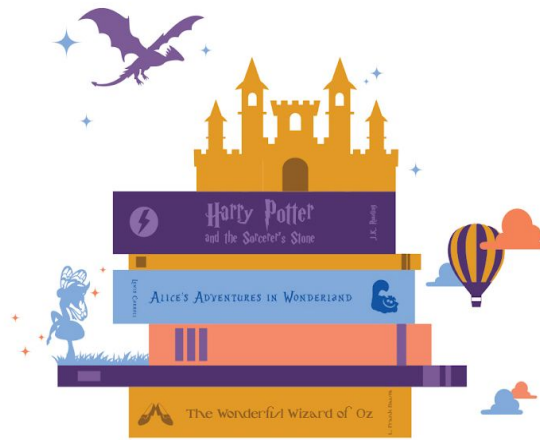

White Yarn

Star stickers

#### Instructions

1. Glue three popsicle sticks together in a triangle formation.
2. While that is drying cut out a triangle piece from the cardstock that will fit inside the popsicle stick shape.
3. Cut out a small oval for the nose and a strip of cardstock for the back of the hat.
4. Once your popsicle stick shape is dry, glue the triangle piece of cardstock onto the popsicle stick shape
5. Cut several long strips of white yarn. This will be the “beard” of the wizard.

6. Glue all of the white yard to the back of your popsicle stick shape in a line.
7. For extra securing, glue the strip of cardstock on top of the yarn.
8. Flip the hat back over to the front. Add star stickers and the oval nose piece.
9. Add any other embellishments you would like.
10. Set it aside to dry completely.
