### Fairies Shadow Chalk Art

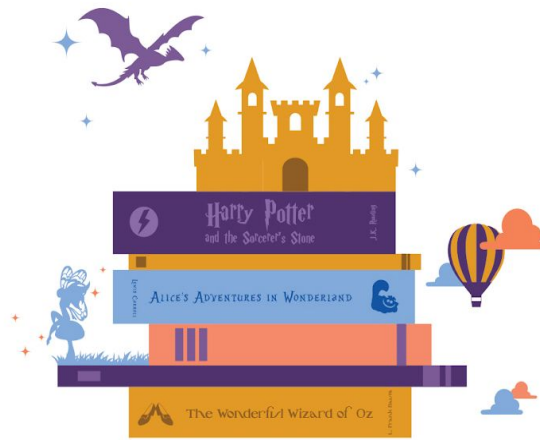

June 24th is National Fairy Day!

Materials: Sunny Day  
Open Space  
Recycled Chalk Paint (see recipe attached)  
Sidewalk chalk  
Paintbrushes

#### Instructions:

1. Invite the children to lie down on the open space, block out the sunlight, and make a shadow on the ground.
2. Use sidewalk chalk to trace the shadows in various positions.
3. Use the recycled sidewalk paint or sidewalk chalk to “fill in” or color the shadow. What great fun!

### Shadow Chalk Art Recycled Chalk Paint

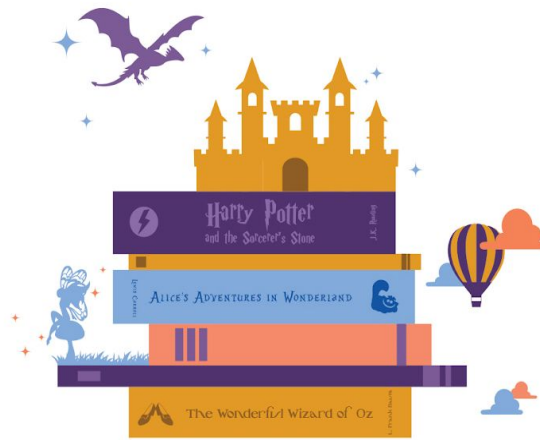

Materials:

- Broken and/or new pieces of sidewalk chalk
- 1 Qt Freezer Bags
- Rubber Mallet or Hammer
- Recycled container for water
- Water
- Old muffin tin
- Paint Brushes
- Chopstick
- Small Kitchen Towel

#### Instructions:

1. Sort the chalk by color.
2. Put each color of the sidewalk chalk into a separate freezer bag.
3. Wrap each bag of sidewalk chalk in a small kitchen towel and use the rubber mallet or hammer to gently crush the chalk into a fine powder.
4. Add the powdered chalk to the muffin tin. Put one color of chalk powder into each muffin tin.
5. Slowly pour water into the powder. Mix with the paintbrush or chopstick. The paint should be the consistency of pancake batter.
