Fairies TeePee Style Fairy House

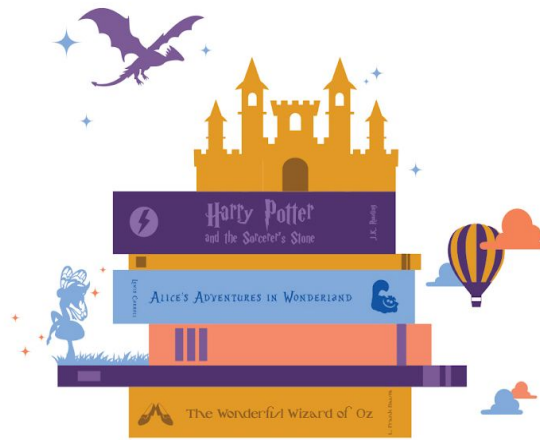

June 24th is National Fairy Day!

Materials: Handful of sticks (all the same size)
 Thick Cotton String

Instructions:

1. Gather handfuls of sticks that are approximately all the same size. Take all the leaves off.
2. Set them up in a teepee style with an area left open as a front door.
3. Put the sticks into the ground for stability.
4. Wrap a thick cotton string around the top of the teepee many times and then tie it off.
5. Your child can collect leaves and flowers to decorate the teepee. They can also gather leaves to use as beds, acorn tops for chairs, flowers as decorations, little berries to use as food and a little pixie dust.
