

## IMAGINE YOUR STORY

### Wizard of Oz Wicked Witch of the East Bookmark

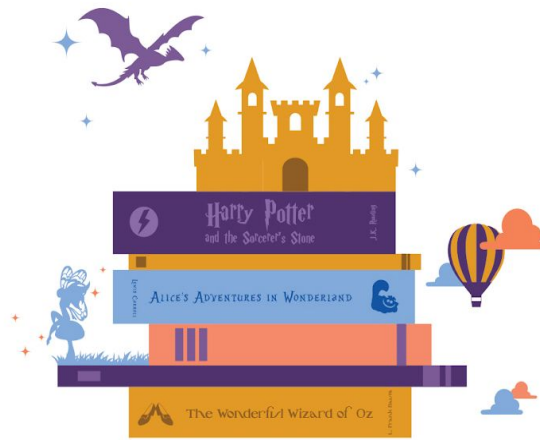

#### Supplies Needed:

- Scissors
- Red craft foam
- White duct tape
- Plastic straws
- Black duct tape
- Rainbow duct tape

#### Instructions

1. Layer several pieces of white duct tape together to create a somewhat stiff bookmark. You can cut the tape once it is layered to straighten it and make it the right size. The most important part of this step is to make sure it is layered together smoothly.
2. Cover the back of the white tape with the rainbow duct tape and turn it over the front side to frame the white.
3. Cut a straw into 2 pieces approximately 2 ½" long and cover with white duct tape. Carefully wrap each one with the black tape to create stripes.
